

# Environmental and social (E&S) policies

---

Growth Capital.

OSA GC provides ESG performance in line with international best practices

## REPP 2.0. E&S policies and procedures aligned with :

- IFC Environmental and Social Performance Standards
- EIB Environmental and Social Standards on Stakeholder Engagement and Biodiversity
- UN Global Compact Sustainability Principles

## Ensure compliance with E&S policies by investees:

- All investees are required to establish an Environmental and Social Management System (ESMS) in line with these standards.
- All projects are required to undergo an Environmental and Social Impact Assessment (ESIA) to identify impacts, establish mitigation plans and ensure management through ongoing measurement and reporting of impacts.
- OSA GC provides training to investee companies on the establishment and implementation of ESMS and ESIA.
